

# How to make a Penguin Mask

For Frank's Red Hat  
Book Week 2023

## What you need:

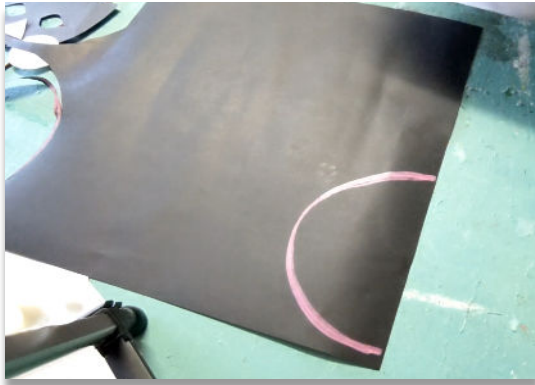

- Black paper
- White paper
- Grey paper
- Scissors
- Glue stick
- Pencil or Marker
- Icy pole stick
- Sticky tape

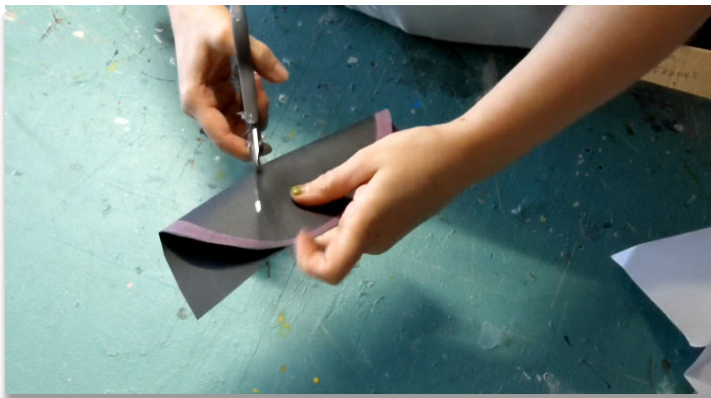

## Method:

You can follow the steps below or watch a video of the process on our YouTube channel: <https://youtu.be/eswQuc8LL78>

1. On your BLACK paper, trace or draw a large semi-circle and cut it out.

2. Fold the semi-circle in half from top to bottom. Cut out two eye holes for you to see through. Set aside.

3. On your **WHITE** paper trace or draw two circles for eyes. Cut them out and set aside.

4. On your **GREY** paper draw a triangle about the same size as your white circle eyes. Cut it out and set aside.

5. Get all your pieces ready to assemble.
6. Use your **GLUESTICK** to put glue on the bottom half of white circles and stick them onto either side of the top of your **BLACK SEMI-CIRCLE**.

7. Get your GREY TRIANGLE and glue it at the top of your semicircle in between the white eyes.

8. Use a marker to draw small pupils on the eyes.

9. Flip your mask over, using your sticky tape, attach your icy pole stick vertically to the right or left side of the back of your mask.

Now you have your very own penguin mask to bring to the show!
